Terms and conditions:

Dietary requirements

We can certainly accommodate dietary requirements. We would just need to know what they are and the approx. numbers of guests that would require them. Whilst we endeavour to avoid any form of cross contamination, we do work in a confined kitchen where there are nuts and wheat products and can therefore not guarantee this.

Please be aware: In accordance with food safety guidelines all food should only be left out of a temperature controlled condition for a maximum of 4 hours for cold foods & 2 hours for hot foods after which time we cannot hold responsibility, any food consumed after this is at the clients discretion and therefore becomes their responsibility. We also hold no responsibility for any food not supplied by Mixed Leaf Catering.

Additional items

We are able to provide disposable plates, napkins and cutlery within the cost. All items will be compostable which we encourage. If you would prefer to use 'real' crockery/cutlery, we would be happy to use what you can provide.

Mileage

We include mileage up to 15 miles from Hamble, Southampton. Any additional would be charged at 50p per mile.
